CAREER OBJECTIVE

Dedicated and detail-oriented MSc Microbial Gene Technology graduate with a strong foundation in Microbiology, Molecular Biology, Genetic Technology, and Laboratory Techniques. Possess hands-on experience in microbial culturing, sample analysis, laboratory testing, and research through academic projects and practical training. Seeking an entry-level SMicrobiology Lab Technician position in a reputed organization where I can apply my technical knowledge, contribute to quality laboratory operations, and further enhance my skills in microbiological analysis and laboratory management.

ACADEMIC QUALIFICATIONS

M.Sc. Microbial Gene Technology (62.1%) – Madurai Kamaraj University, Madurai |2026

B.Sc. Microbiology (62.42%) – K.R College of arts and science, Kovailpatti |2024

PROJECTS

Purification of metabolite from Deep-Sea associated *Bacillus* sp. VSMKUDOM1260 and its molecular mechanism against sheath blight of rice (ShB)

- Investigation of Bacterial Isolation, Identification, and Antifungal activity against fungal plant pathogen Properties from Deep-Sea marine soil Samples using Standard Microbiology Techniques.
-

INTERNSHIP

- Hands on Training in Applied Microbiology Techniques, Instrumental Techniques - Department of Microbial Technology, Madurai Kamaraj University, Madurai | May-June 2025
-

CONFERENCE AND WORKSHOP ATTENDED

- Recent Trends on Fungal Application in Agriculture, Industry and Biomedical Process - 2024
- Microbial Innovations for Sustainable Agriculture and Medical Applications – 2025
- Skill Development and Hands on Training on Electron Microscopic Techniques – 2025
- NGS – Genomic Data Analysis – 2026

TECHNICAL SKILLS

- **Microbiology Techniques:**
Media preparation, Plating Techniques (spread, streak, Quartern), Bacterial Isolation, Biochemical Characterization
- **Molecular Biology:**
DNA Extraction, Plasmid Isolation, AGE
- **Instrumental Techniques:**
UV Spectrometry, Chromatography (TLC, Column), Centrifuge, Microscopy, PCR, Rotary Evaporator
- **Bioinformatics & Tools:**
NCBI-BLAST

SOFT SKILLS

- Adaptability
- Interpersonal Skills
- Sincerity
- Teamwork
- Communication

LANGUAGE

- Tamil
- English
